5. [] Met with Mr. Darrell St. Claire, Senate Foreign Relations Committee staff, and corrected the original copy of the Director's testimony before the combined Senate Foreign Relations/ Senate Armed Services and Joint Committee on Atomic Energy. Follow up items, with the exception of the paper on proliferation which will be delivered Monday and an item which AEC will provide directly, were given to Mr. St. Claire. He was asked to inform Senator Aiken of the item which he raised and was advised that we would inform Senator Morse's office that answers to his questions in Committee and through correspondence with AEC had been provided to the Senate Foreign Relations Committee staff. Mr. Weaver, in Senator Aiken's office, and Miss Simons, in Senator Morse's office, were advised of our action on this.
